To the Board of Directors Don Alexander Investments, Inc. Oak Brook, IL 60521

I have audited the accompanying statement of financial condition of Don Alexander Investments, Inc. as of December 31, 2004. This financial statement is the responsibility of the Company's management. My responsibility is to express an opinion on the financial statement based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of Don Alexander Investments, Inc as of December 31, 2004, in conformity with accounting principles generally accepted in the United States of America.

DON ALEXANDER INVESTMENTS, INC. NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2004

(1) Significant Accounting Policies

The Company was incorporated in Delaware on August 7, 1984. The Company is registered with the Securities and Exchange Commission and is a member of the National Association of Securities Dealers, Inc. The Company's principal business activity is the sale of securities. Operations began approximately January 28, 1985.

The preparation of financial statements in conformity with generally accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Security transactions are recorded on a trade date basis. Marketable securities are valued at market value. The resulting difference between cost and market value is included in income.

Property and equipment items are stated at cost and are depreciated over their estimated useful lives using the accelerated and straight line depreciation methods.

Maintenance and repairs are charged to income as incurred. Expenditures which materially extend the original useful lives of assets are capitalized.

Statement of cash flows – In November, 1987, Statement of Financial Accounting Standards No. 95 (SFAS No. 95) was issued which requires a statement of cash flows in place of a statement of changes in financial position.

The Company's policy is to include cash on hand, amounts due from banks and short term investments in reporting cash flows.

(2) Net Capital Requirement

The Company is a broker/dealer subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1). The Company is required to maintain "adjusted net capital" equivalent to \$5,000 or 6 2/3% of "aggregate indebtedness" whichever is greater, as these terms a re defined.

Adjusted net capital and aggregate indebtedness change from day to day, but at December 31, 2004, the Company had adjusted net capital and net capital requirements of \$175,511 and \$5,000 respectively. The net capital rule may effectively restrict the payment of cash dividends.

DON ALEXANDER INVESTMENTS, INC. NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2004

2006	20,501
2007	10,353
Thereafter
